GRAND KNIGHT'S MESSAGE

Brother Knights,

Greeting, I hope all are doing well. September is a month of change that greatly affected our nation throughout history. First and foremost, September 11, 2001, the day that changed our world. Our country was ambushed by terrorist attacks on the civilian population and economy. Many lives were lost. Police officers, firefighters and emergency response personnel ran towards the danger rescuing as many people as they could from the burning Twin Towers. The heroic sacrifice of passengers on United Flight 93 gave their lives to foil the terrorists plot from killing more innocent people. The military joined in to save their comrades at a Pentagon under attack. Their unwavering dedication to duty and love of country saved many lives while some also paid the ultimate price. We must never forget the sacrifices made and lessons learned that day.

On September 13-14, 1814, our young nation was in a battle for their survival at Baltimore Harbor. There was a young Lawyer/Poet on a British Troopship while Fort McHenry was being bombarded. As dawn broke he penned those words "O say can you see, by the dawn's early light..." and the rest was history. The writer was Francis Scott Key and the moment was the birth of our "Star Spangled Banner". Origins are very important in our history, it's how we were formed as a nation. If we forget we are doomed to repeat.

We have 3 big events coming up in one amazing weekend. They will be under a big tent in the parking lot with some good food and social distancing of course. We will have our annual Golf outing on September 18 and afterwards, dinner, raffles and prizes under the tent. On the 19th we have a Rocktober fest with Beer, Brats and Rock and Roll. On the 20th will be our 4th annual Motorcycle Run and Biermeister Ball. See flyers for details on all the events. Come on out and show your support.

Our Officers Installation will be held on September 27 at 2pm at the council. Mass will be at 12pm at St Joseph. Come join us in welcoming our officers for the new fraternal year.

Stay safe and may God bless our country and give our president the strength to lead us.

VOTE 2020.

Regards

John R Harris

Our Service Men and Women

And all our deceased Members

May their Souls Rest in Peace

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling His commandment of charity and building up His Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your servant, Father Michael J. McGivney, on earth according to the design of Your holy will. Through his intercession, grant the favor I now present (here make your request).

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

Brothers:

NEVER INVEST IN AN ANNUITY!! You've no doubt seen this kind of headline in the financial pages or you've seen pop-up ads on your computer or you've heard some friend repeat what he's heard from his buddy's uncle. Are they serious?

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like an IRA or an RRSP in Canada. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

I'll tell you that I think an annuity is a is a great product in the right situation. Especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few more reasons why I think that way:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. The good news is that we've always paid a higher current interest rate than the guarantee. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2019, rated A+ Superior by A. M. Best)
3. You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.
4. Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.
5. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.
6. You can enjoy an income that you (and if you wish, your wife) can never outlive!

Dear Sister Columbiettes,

It's September already.....I hope the summer was a good one, it certainly was different. I want to keep this brief, as I'm not sure how things are going to be just yet.

I have attached the 2020-2021 budget. I am asking for anyone who has a question on it, to email, text or call me by September 10th. I will go on the premise that if I don't hear from you for any question or issue with it, that the budget meets your approval. Obviously, this year will not have all the events that I budgeted for, it really was a tentative budget, as I still am unsure on how things are going.

The Knight's are running a drawing for a prize of \$5,000.00. It is \$100.00 for a ticket. If the budget is approved, I will purchase a ticket for the Columbiettes out of the Misc Expense Budget Item. This supports the Knights and we have a chance of winning \$5,000.00.

I'm going to be contacting Shepard's Gate, which is aka as The Soup Kitchen at St. Joseph's Church. I am going to look into if there is anything we can do for the Christmas Donation that we have been doing. In the past we wrapped towels for the adults and had goodies and books for the children. I know, it's early to think about this, but, I don't even know if they are open and serving meals yet. Maybe they can help us to continue the tradition we all enjoyed doing. It may not be towels, it might just be toiletries like soap, shampoo, etc. We will take it as it comes and see what we can do, of course, in a safe, clean environment.

The Knights/Columbiettes will be having an Installation of Officers. It will be Sunday, September 27th. We will meet at St. Joseph's Church for 12:00 mass and then 2:00 for the Installation. The Installation will be at Council. There will be a dinner and dessert following the ceremonies. We will be practicing social distancing. There is no pressure on anyone (including Officers), who may not be comfortable at that point to attend. We are trying to slowly move forward, but, I would never ask anyone to do anything that would risk their health. So please know that. It is entirely up to you.

Next, The Knights have planned one weekend for three events. This was planned so that the tent that is being rented will allow all functions to be outdoors and social distanced at the Council in the parking lot.

The Golf Outing is the first. That is Friday, Sept.18th. If you are interested in golfing, refer to the Knightlife for the details of it.

There is an outdoor concert being set for Saturday, Sept. 19th The tickets are \$20.00 and you need to bring your own chairs. That is very limited on tickets sold, so that we keep a safe distance from each other.

The Motorcycle Run which is a Fundraiser for Austin's Purpose is on Sunday, Sept. 20th Again, see the Knightlife for details.

Be Safe and if you have any ideas or suggestions, call, text or email me.

Love,

Carmela Safina

About Our Honoree

The St. Regis Knights of Columbus Charity Golf Committee is proud to announce this year's honoree, Vincent Safina. Vinny is a long-time member of St. Regis Knights of Columbus and the Ronkonkoma community. He started his officer positions as the Recorder, moving up the ladder to Warden, then Chancellor and he is presently the Deputy Grand Knight. He is very proud of the work and positions he has held and always puts 110% into everything he does. He is also the current record holder for shaking down the golfers on the 17th hole for the past golf outings! Vinny was the first coordinator of our annual Oktoberfest and ran it for 3 years and he also ran the St. Regis Family Picnic. He pitches in at a moment's notice to support not just the Knights but also the St. Regis Columbiettes in their events, and always with a smile on his face. Vinny's wife, Carmela is Past President of the Columbiettes. For a few years, he also helped setting up for the NW Giving Doll, TOP5 and the Seniors. He has helped out at the Council's annual Veterans' luncheon and at St. Patrick's Day Parade functions, participated in the March for Life and the Special Olympics Annual Fishing event and he is also an Usher at St. Joseph Church on Sundays. Vinny was born in Garden City Park and still sees some friends from grade school. He graduated from New Hyde Park High School and was a volunteer fire fighter for the Garden City Park Fire Dept. He moved to Mineola in the early 1980s and worked for Mercedes-Benz in Manhattan as a parts counterperson. Vinny met his wife, Carmela, while doing his banking at Ridgewood Savings Bank in Garden City Park, where she worked. After 3 attempts to get her phone number, she finally gave in and they dated for 3 years. They were married in 1987 and the following year bought their home in Lake Grove, where they still live today, 31 years later. Family is extremely important to Vinny. He and Carmela have one son, Dominic, who attended St. Joseph's School in Ronkonkoma and St. John the Baptist HS in West Islip. Dominic graduated from the University of Rhode Island with a Bachelors Degree in Mechanical Engineering. Their love for Dominic is immeasurable and there isn't anything they wouldn't do for him. Vinny was very involved with the St. Joseph's Scouting program, Pack 272, where he was a Den Leader and Cub Master. He is often called "Mayor" by his Lake Grove neighbors, because he knows and cares about everyone around him. We are proud and excited to honor Vinny and look forward to this year's Golf Outing as a day that we will all remember!
